May 10th

RULES:

Best ball will be played using 3 or 4 person teams.

Team format will consist of handicapped A, B, C, & D players (four person team). The player with the lowest handicap will be the team captain, responsible for keeping the score, enforcing proper golf rules/etiquette and turning in score card.

Handicaps will be taken from AGA. If a player does not have an established handicap, then the tournament chairperson will attempt to establish one based on posted scores. If there are no scores posted, expect to be given a very low handicap.

Each player on the team plays their own golf ball throughout the round, and **on each hole only** the low net score or "best ball" of the group serves as the team score.

Each player's score will be recorded as gross and then at the bottom of the card will be a line for the lowest net score for that hole to be recorded.

On each hole all balls must be putted out in order to establish the lowest net score. If a player's score is considered beyond help then that player may pick-up and be ruled out of the hole.

GOLF ETIQUETTE:

1. Please smooth all marks made in sand traps
2. Leave the putting green as soon as you have holed out.
3. Do not walk in the putting line of your partners.
4. Do not play until the players in front of you are out of range.
5. Balls may be cleaned only after they are on the green.
6. Ball marks can be repaired prior to putting.
