

PCM9GA Weekly Event Foursomes

To simplify the process of foursomes meeting up with one another assembling and determining who will ride with whom etc, the following process should be followed for all shotgun events:

1. At Tuscany Falls players will register and pay at the pro shop then all assemble in the circular cart parking area immediately adjacent to the pro shop, no later than 15 minutes before tee time. No one should proceed to their designated hole until all four members are accounted for and cart arrangements confirmed.
2. The same applies at Eagles Nest except the assembly area will be at the driving range between the range and the putting green.
3. If you do not know any of the members in your foursome it is suggested you check the photo roster on our website, and/or just ask around among assembled members.
4. All foursomes should not proceed to designated holes until the pro shop has signified that the holes are open and ready. To stabilize start of play all foursomes should leave assembly area at approximately the same time.
