“Scramble Tournament” RESULTS
Thursday, September 13, 2007

On, September 13, 2007, forty-six PCM9GA members played the Falls course of the Tuscany golf club exhibiting their golfing expertise playing in the September “Scramble” golf tournament. The weather was a beautiful 81 degrees without a cloud in the sky. All members seemed to enjoy the tough competition and relaxed environment of playing together with their fellow PCM9GA homeowners. After the competition, participants were treated to coffee, soda, tea and delicious cakes and muffins. Tournament Chairman Tom Richmond thanked the 46 members who played in the event for their participation and then announced the winners. There was a three way tie at Gross 33 for first, second and third place which was settled by the club professional John Stanley doing a hole by hole comparison. The first, second and third place winners were finally decided after the holes had been compared.
