RESULTS

On, July 12, 2007, thirty-four PCM9GA members played in the July “4-Person Step Aside Scramble” golf tournament. It was a beautiful, muggy summer morning, but everyone seemed to enjoy the relaxed environment of playing together with their fellow PCM9GA homeowners. After the competition, participants were treated to coffee and muffins. Tournament host, John Ward, thanked all 34 members who played in the event for their participation and then announced the winners. After a hard fought battle of many teams, there was a tie for second place at net 34 which was settled by a score card play off before the second place winner was finally decided.
