

# MEN'S 9 HOLERS

December 10, 2009  
Tournament – Yellow Ball  
Tuscany Fall Course  
Shotgun at 1:30

## Yellow Ball Rules

(Doesn't have to be yellow just considered ball in play)

- 1) Teams can be made up of 2 to 4 players ranging in handicap levels from A, B, C, & D.
- 2) Teams are lined up in set sequence with lowest handicap person first to tee off, hitting the yellow ball thru the hole. On the following hole the second person in the tee off sequence is hitting the yellow ball thru the hole. This sequential rotation of players continues thru out the match.
- 3) Each player plays his ball throughout all holes and records his hole score and total score.
- 4) The final team score uses only the net score of the player playing the yellow ball. This score is to be logged following the players names under the hole #.
- 5) When teams of two or four play the first person to play the yellow ball will end up getting an extra hole played vs other team members.
